To Whom It May Concern:

This letter is to serve as a recommendation for YWAM Mission Adventures Victoria.

I took a small team of youth to Port Renfrew through the YWAM base in Victoria. We spent three days in Victoria doing Bible study, heart preparation, and having cultural experiences, and then a week in the first nations reservation of Port Renfrew. The YWAM staff: Graham, Marcia, and Irene, were fantastic hosts, and their passion for the community of Port Renfrew was contagious.

After the three days of training, my team felt more than ready to get into the community to serve and love them any way we could.

It was awesome to see how God worked in the hearts of the community kids and their families as we spent day in and day out with them over the course of the week.

As a youth pastor, I want to know that any program or ministry opportunity I am involving my youth in, is worthwhile. YWAM Mission Adventures was definitely worthwhile. I felt confident in their sincere, Godly leadership, and their real, down-to-earth relationship.

If you are thinking about taking a group on a short-term missions opportunity, I would love to recommend YWAM Mission Adventures Victoria.

Please feel free to contact me if you have any further questions regarding this ministry.

Sincerely,

Matt Rempel
